ADULT VOLUNTEER HELPERS

Vacation Bible School is a wonderful opportunity for kids *and* adults. As busy parents we have precious few opportunities to share the experience of our children's spiritual growth. For one very special week in the summer, your children will play, learn and grow, and you can take part.

We expect that at least one parent from each child's family will volunteer his or her time in some capacity to support this ministry. Volunteers are especially needed to lead and assist in the workshops, where for as little as a couple of hours you will be able to contribute to your child's experience and share fellowship and fun with other parents.

Please note your first, second and third choices below.

These are the areas where volunteers are most needed during the week:

- Mission Pilots:** Shepherds who guide campers through their daily schedule (2-3 needed per group) (preferred age group _____)
- Good News Galaxy:** Present daily Bible story to campers (preferred age group _____)
- Moons and Tunes Music:** Lead/assist music and movement activities
- Cosmic Crafts:** Organize and lead/assist the campers in thematic crafts
- Astro Bistro:** Run snack area and assist campers as they prepare snacks
- Rocket Rec Games:** Organize and lead/assist thematic games for the campers
- Mission Control:** Lead and assist in daily outreach projects completed by campers
- Nursery:** Care for infants and toddlers of volunteers

These are areas that help support the success of VBS, but do not require daily attendance. We try to reserve these volunteer spots for parents who are unable to be here during the morning.

- Supplies:** Purchase and organize supplies prior to and during the week
- Decorations:** Decorate the classrooms prior to VBS week (Friday, 6/25 and Sun., 6/27)
- Clean-up:** Break down decorations and classroom set-ups (7/1, noon - 1:30 p.m.)

Please indicate special considerations, time limitations or talents you might like to share at VBS:

The final day of VBS (July 2) is typically held off-site. We need as many volunteers as possible to insure a fun and safe day for everyone.
